P4, P5 and P6 Students open goformative.com. To log in to Formative, all they need to do is choose "Sign in with Google" (using their sispik gmail) on the Login page. After logging in, students have to click their particular task.

5. In goformative.com, if students have questions about a certain item, they may send a message to the teacher, and the teacher will receive it instantly.

The student clicks this icon to send a message to his/her teacher.

6. Students do the SIS-PIK Checks independently. Students should not use any unauthorised materials or the internet to help them with the tests.
7. Students should read the instructions carefully before answering the questions.
8. **Mathematics :**
 - **P2-P4 Maths** : No calculator is allowed. *Students are allowed to use a clean sheet of paper for their work in MCQ to ensure an accurate answer.*
 - **P5 and P6 Maths - Paper 1** (Students are **NOT ALLOWED TO USE CALCULATOR**)
- **Paper 2** (Students are **ALLOWED TO USE CALCULATOR**)
 - **P2 - P6** - students are encouraged to type the working in their Paper 2 (Open-Ended and Word Problems) on the working space provided.
9. If students have internet problems, parents or students need to let the teachers know and teachers will help re-assign the papers to the students on the same day.

Thank you very much. Wishing all students a successful SIS-PIK Checks!
